THE PARTY

The city's restaurant industry glitterati and its most avid devotees were out in full force for an event dedicated to conquering childhood hunger. At each eventologie-designed table, guests raved about the five-course grandiose presentation of fanciful entrees and wines by Atlanta's most distinguished chefs and sommeliers.

THE PLAYERS

Allison Palestrini, Robert Fasce, Whitney Otawka, Ramien Balouch, Eddie Valente, Jason Shelley, Stevenson Rosslow, Daniel Zeal, Andrew Carter, Silvio Garcia, David Gross, Andres Loaiza, Jon West, Ruth Riley, Billy Harris, Billy Shore

THE HIGHLIGHTS

It may have been WNBA star and Share Our Strength supporter Ruth Riley's speech that was the only thing to outshine the evening's culinary offerings. Riley's touching personal story of growing up hungry was so moving, it could explain why auctioneer Billy Harris brought in such big dollars for the worthy cause. With more than \$97,000 raised, it was the event's most successful year yet.

Chef Andrew Carter and his sous chef prepare the fifth, and final, dessert course.
