NEW YORK WITH EVENTOLOGIE CEO APRIL TRIGG

STAY: Located in the Meatpacking District, Hotel Gansevoort is the coolest boutique hotel in NYC. With its sleek lines, floor-to-ceiling windows and yummy products from Cutler, you may never want to leave. Request a south-facing room to avoid stumbling hipsters leaving Soho House at 3AM. **EAT:** Go to tried-and-true French brasserie Pastis or try the famed Sheep's Ricotta Gnudi with Brown Butter & Sage at Spotted Pig. Have Ryan mix you up a Speckled Hen. **PLAY:** The eco-lounge Greenhouse (think sustainable bamboo walls and LED lighting). **SHOP:** The Meatpacking District: DVF, Tory Burch, Paige Denim, Jeffrey, etc. Also: Casa La Femme on Charles Street. **SEE:** Union Square Farmer's Market.
