

Campaign for Clean Water

Minnesotans concerned about the quality of our natural resources came out to support Robert F. Kennedy Jr., chairman of the Waterkeeper Alliance, an organization that works on the grass-roots level to connect communities concerned with water preservation and pollution. Attendees were treated to a talk by Kennedy that outlined what local leaders can do in the effort to keep waterways clean.

All from left: (1) Kristine Stratton, Waterkeeper Alliance; Steve Fleischli, Waterkeeper Alliance; Darlene Kasten. (2) Mary Wescott; Tom Gegax. (3) Sam Kaplan, Kaplan, Strangis, and Kaplan; Sylvia Kaplan. (4) Sylvia Kaplan; Heidi Silton; Robert F. Kennedy Jr., Waterkeeper Alliance; Steven Silton, Hinshaw & Culbertson. (5) Will Steger, GLOBAL WARMING 101; Tubby Smith, University of Minnesota Men's Basketball.
